Got Cabin fever? Check out **FAMILY FUN DAY!!**

One of the largest, longest-running, and free community events offered on the grounds of Lord Stirling Stable, the 28th Annual Family Fun Day is scheduled for May 1, 2011. Children (ages 12 and under) may enjoy rides on a pony or small, gentle horse. The whole family can jump into a tractor-pulled haywagon and take a ride along some of the 18 miles of equestrian trails. The free pony rides and hayrides are offered from 10am-12pm, and again from 1pm-3pm. The festival atmosphere of the day is enhanced by child-friendly arcade games, face painting, and other activities. Local vendors and organizations will be on hand distributing information, performing demonstrations, and offering goods for purchase. Equestrian students hope you'll cheer for them as they play gymkhana-style games on horseback for fun and ribbons. The Friends of Lord Stirling Stable co-sponsors this event, offering food, beverages, and clothing and gift items for sale. For more information, please call the Stable office.

A few Questions for a Helpful Human: Getting to know people who are making a difference

Who are you –

Cynthia Roman, President of the Friends of Lord Stirling Stable

Tell us a little bit about you –

I started riding at Lord Stirling Stable 6 years ago, I also work in the office part time on the weekends and as I said, I am the current president of the non-profit organization, the Friends of Lord Stirling Stable. I was also responsible for the Winter Clinics and I am the chairperson for FLSS' Trick Tray.

How did you get involved –

I started out volunteering for the retirement committee, then I was asked to be a trustee, then I was asked to be the vice-president and now by default, I am the president.

Is there anything else you'd like to tell our readers –

I love riding, I never thought I would ever be on a horse, but now I own my own horse. The horses at LSS are exceptional school horses and have taught me so much. Being a part of the organization that helps supplement the stable is so important to me. I am glad to give back to the horses and the facility. I urge people to get involved because with more help, the more we can do. The organization's success directly benefits the horses.

FLSS is going green!!!
